October - Mini Symposium

October Membership Meeting - Mini Symposium

This month we having our last Mini Symposium of the year. As always, we have a great line up of demonstrators. There is always something that each of us can learn from some of our members. This is always a very popular event.

Here is this month's list of demonstrators:

Carol Zandell - Something Fun (what else would you expect from Carol.)

Roy Lane - Hollow Forms

Jim Thoren - Miniature Birdhouse

Warren Swift - Either a Whistle or a Top (or maybe both)

Stefanie Lane - No, make that Pyrography

Dave Schweitzer - Sharpening

Jeff Marshall - Turning for Beginners

Don't forget to bring your dull tools. This is your opportunity to get them sharpened by an expert. When you get home, you will be amazed at what is like to turn with

Call for Volunteers

We are in need of four **volunteers**. We need **volunteers** for President, Treasurer, Refreshments, and a Wood Rat. **Volunteers** are the single most difficult things to come by in any club. Without them, the club does not function. None of these jobs requires an inordinate amount of time. Please step up and **volunteer** your time and skill.

Letter from the Editor

Once again our fantastic President (pictured at left) has managed to destroy his computer. Since I am the one who then ends up having to write the monthly letter, I am beginning to wonder if this is a planned event. There is a rumor at the big M that the Blue Screen of Death is being renamed OptiDan.

I could reiterate our need for **volunteers** for President, Treasurer, Refreshments, and Wood Rat, but that would be redundant since I wrote about that on the front page. On the other hand, if I write about it often enough, maybe some of you will get tired of reading about it and **volunteer**.

Instead of writing about **volunteers**, I would like to take a few minutes to discuss the advantages of joining AAW.

In addition to the benefit of joining one of the largest craft associations in the country, currently greater than 13,600 members strong with more than 325 local chapters in the United States and internationally, each one-year membership includes:

American Woodturner

Six issues of American Woodturner, official journal of the AAW, each jam-packed with

- New one-of-a-kind projects

- Inspiration and insider secrets

- Time- and money-saving shop tips and techniques

- Step-by-step instructions with helpful how-to images and diagrams

- Calendar of events, seminars, and exhibitions

Education and Advice

Annual AAW Symposium

Expert woodturning advice at woodturner.org

AAW Forum and members-only access on woodturner.org•

Access to Educational Opportunity Grants for members and AAW chapters Opportunities

Insurance and Savings

- Bodily injury liability insurance furnished for members involved in AAW activities

- Commercial property and liability insurance available for members to purchase

- Group rates for health, life, and commercial business insurance

Discounts on AAW books, DVDs, and logo merchandise with savings up to 50%

If you are not a member of AAW, consider joining. The magazine alone is worth the cost of membership. If you are a member, take advantage of all of the information on the website. The videos are fantastic. And finally, subscribe to the AAW on YouTube. Oh yes, **VOLUNTEER**.
