July - Roy Lane

This month's demonstrator is Roy Lane. You have all seen Roy's work at the monthly Show & Tell as well as at our Mini Symposiums. Roy is a master of the hollow form vessel. Roy has been turning for a long time and makes his own hollowing tools. This month he will share with us how he makes his hollowing tools as well as giving us pointers on just how to make hollow forms.

Roy's work is displayed at a couple of galleries in Tacoma. Partnering with his daughter, Stephany, he does some beautiful work.

Roy will also demonstrate how he makes the light thickness.

All said, it will be a very enjoyable evening.

Don't forget, our Annual Picnic and Wood Auction is this month. It will be held Sunday, July 20th, starting at 1:00, at the North Lake Improvement Club. Plug this address into your phone or GPS, 33228 38th Ave S, Federal Way, WA 98001. Or, if you are feeling lucky, take the Weyerhaeuser Way S exit off Hwy 18. Go North. At the turning circle, take the first right onto 33rd Pl S. This will become S. 334th St. At the next turning circle, take the second right onto 38th Ave S. You will see the Improvement Club on your right in about one block. If you are coming down Military Rd S, turn west, the only way you can turn, on S. 328th St. Follow it around to where it becomes 38th Ave S and look for the Improvement Club on your left. If you get lost, call me at 253-740-7147.

This is a potluck. Bring your favorite dish: main, side, salad or dessert. Drinks, plates and utensils will be provided by the club.

Don't forget, this is also a wood auction. Last year we got some of the best deals you have ever seen.

Saturday - July 26th - Creativity In Woodturning - Olympia

<http://www.woodturnersofolympia.org/> - for information

Next month we are having another Mini Symposium. The only way the symposiums work is if we get volunteers to demonstrate at them. Lots of people are interested in pen turning, dyeing wood, and a host of other things relating to turning. Take a chance, volunteer to showcase one of your skills.

You and the club have everything to gain.

Letter from the President

Set aside a few hours on Sunday July 20th for the opportunity to win some great turning wood and eat some good food with a bunch of nice people. That's right it's the annual SPSW wood auction and potluck. We will be meeting again this year at the North Lake Improvement club in Federal Way WA. Maps will be available. Here is a great way to not let those chunks of good wood sit on your shelf and crack beyond use. Why not donate them to the auction. We are gladly accepting turning blanks, tools or whatever else.

The raffle for the private turning lesson with Eric Lofstrom just got better. The lucky winner will also take home a high quality 3/8th skew hand sharpened by Eric. Tickets are \$2 ea. or 6 for \$10. We will be drawing the winner at our August meeting and you need not be present to win, but I hope you are. Check out Eric's website and read the comments section it's hilarious and visit his wonderful gallery.

The August meeting is still in need of some new demonstrators. Now is your chance to show us that neat turning trick or special touch that sets your work apart from others.

This month we will see Roy Lane take a chunk of wood and show you how to transform it with simple tools into a hollow form worth of anyone's mantle.

See you on the 17th. Pat
