V. Executive Board Reports –

President – Kathy Garlick,

a. October President’s Challenge: Lidded Box

b. 2026 Facility Rental – Facility rental will be twice the 2025 cost with no opportunities for discounts. Discussion addressed the Club’s historical and planned sources of fundraising as well as advantages and disadvantages of the current meeting location. Discussion also focused on the options for increases to the annual membership dues. Membership dues discussion weighed implementing a tiered dues structure as well as a wide range of options for a non-tiered annual dues increase. Ed White proposed going to the members with 1) a \$55/year for dues at the 1st tier, \$65/year dues at the 2nd tier, and \$75/year for a 3rd tier for those who want to provide the higher level of support; and 2) establish a subcommittee to examine fundraising opportunities.

John Howard seconded the proposal. The motion carried.

A continuing policy is that anyone needing financial assistance to maintain their membership can contact the President (Kathy Garlick) for individually tailored consideration and potential mitigation.

– discussion continued. Board members raised discomforts with using a tiered dues structure, the number of tiers to offer, and concerns about membership acceptance and support.

c. Vision for 2026 – Each of the Directors will be Chair of their committee to address their requirements without the need to coordinate with the President on minor details.

For example – for Suzette on the Newsletter, we are all on your committee because we all submit articles. Another example is for Michael, the Mentorship forums are your committee. The committee Chairs will “return and report” to the Board.

This is intended to involve more of our members, achieving more buy-in and commitment of the membership, promoting more insight, and fostering development of future Board membership.

Vice President – Ed White,

a. October Demonstration – Multi-Axis Weed Pot: lathe is needed.

b. November Demonstration – lathe is not needed but need sharpening system

c. 2026 Demonstration Schedule & Workshops – 3 out of 4 Guest Workshops scheduled (Jan, April & June); 3 Workshops with enough sign-ups to proceed. First half of 2026 schedule is reflected in these Minutes section IV Future Demonstrations and Workshops listed above. Group discussion included the potential for including more workshop sessions while demonstrators are here, ensuring that people are aware of opportunities to sign-up, and encouragement of more focus on new/beginning turners outside of the mentoring sessions.

Secretary – Mark Gilbert, nothing to report

Treasurer – Pam Parson,

- a. Treasurer's Report – Itemized income and expense reports are attached to these meeting minutes.
- b. We are successfully identifying the details needed in the records from Square transactions and the details are incorporated in the attached reports.
- c. Tim is coordinating with Kathy currently to verify if or how Square can do invoicing. Will follow up at future meeting.

VI. Directors Reports –

Newsletter – Suzette Edwards, not available

Webmaster & Social Media – Tim Spaulding,

- a. shared an email example for our familiarization: Our web host provides a service to filter out spam and is currently set to send an email to an associated address on our SPSW website – for example “programs@spswoodturners.org”. The email indicates a message that Mail Channels perceives as spam so the message was not released and can be released by the addressee, e.g. “programs@spswoodturners.org”, if we want to (in other words - if we know this is not actually spam).
- b. invoice for our next 2 year hosting renewal has not been paid yet but is accurately forecast.
- c. At the last Mini-Symposium Tim set up a table for people to visit about systems issues. After much research the SPSW website was found to have one link that has been revised to the common pattern of other links on this website and now Tim has no difficulties with testing the access to the Members Only portion of the SPSW website. You are encouraged to test your own access to the Members Only section.

Store Sales – John Howard,

- a. 2026 Slate of Officers & Board of Directors – All but two of the current Board members have volunteered to continue serving on the Board for 2026. Brandi Lowrance has volunteered to take on the Membership duties from Terry as Terry has other commitments preventing his SPSW attendance. Devin Garlick has volunteered to take on the WoodRat role from Doug Reynolds. John proposes that Kathy present the resulting slate of 2026 Board candidates at the October General Meeting in preparation for voting at the November General Meeting for the candidates who will take office January 1, 2026.
- b. SPSW By-Laws amendments - John shared Kathy's idea that we expand the Board from the current 15 maximum to a new maximum of 17 Board members. This expansion is in support of the President's vision expressed earlier in these Minutes. A By-Laws review at this time will support suitable update. John Howard, Tim Spaulding, and Ed White volunteered to participate in this review and update and the Secretary Mark Gilbert will

head this committee.

Board meetings will continue to welcome the participation of guests during the time that the committee progresses through the By-Laws review, modification, and approvals that include the potential incorporation of a new quantity of Board members, as well as other changes.

Director at Large/AV Coordinator & Zoom Tech – Ramon Lyn, nothing raised

Director at Large/Mentorship – Michael Poirier,

a. Fred Abeles update – he loves the SPSW shirt. His wife Donna asked for help going through Fred’s tools. Michael has reviewed some tools and can consider bringing some to the SPSW General Meeting to sell and, if it is agreeable, give the sales money to Donna to help defray the cost of his needs. John Howard moved that Michael sell Fred’s items at the General Meeting and give the money to Donna to help with Fred’s living expenses. Ed White seconded the motion. The motion carried unanimously.

Director at Large/Industry Coordinator – Ethan Green,

a. Empty Bowls – any size is appropriate and not limited to bowls (other examples could be small hollow forms, vases, plates, platters, etc.). Donations will need to be complete by February 2026. Ed will provide a sign-up sheet for people who want SPSW to provide wood for this project.

b. Woodcraft recently honored a 10% discount for an SPSW member. This is in contrast to the recent past under the prior management/ownership.

c. This “Industry Coordinator” position is really a two-pronged focus of Industry Coordination and Outreach Coordination. Outreach coordination is a particular strength but Ethan could use assistance on the industry coordination tasks.

Director at Large/Programs/Wood Rat – Doug Reynolds, A recent harvest netted four laurel root balls and some logs.

Director At Large – Pat McCart, nothing to raise

Director At Large – Jim Higgins, Photography of members will be available at the October General Membership meeting

VII. Monthly Meeting Discussion –

Demonstrator – Mini Symposium. People loved the Mini Symposium and stayed longer than usual. Comments included that it was Outstanding - the best meeting of the year. Ed had good engagement at the survey/engagement table. Tim was quite busy helping people with computing support. We had a hit on a number of good topics.

VIII. Old Business –

- a. Earmarking funds for equipment/tools we have donations and lathe sales for replacements/new. Not discussed at this meeting
- b. Christmas Party raffle gifts. We need to start thinking of them.

Donations so far

2 shop lights & extra tube light bulbs

Wood

Lathe light donation

Gift Card Purchases

Rockler 2 qty \$50 gift cards

Sumner woodworking 2 qty \$50 gift certificates

IX. New Business –

- a. Ed has a committee with Pat McCart and Ethan Green discussing improvements for a mobile base for the Jet 1221 lathe. Consensus was that the Dewalt is the preferred choice. This is within the approved budget so Ed will proceed with the purchase and Ramon volunteered to adapt the existing shield to the new mobile stand incorporation.

X. Good of the Order – nothing raised.

XI. Adjournment – Motion to adjourn the meeting at 9:40 pm by John Howard, seconded by Edward White. The motion carried.

Respectfully submitted by

Mark Gilbert, Secretary
